SUPPLEMENT TO  
REPORT NO. 25X1X

1. Seven of the 52 series of drifters have been launched at the Neptun yard of which four have been fitted out and taken over. Four more are ready for launching. It is doubtful whether the full program will be completed in the allotted time. Preparations for the laying of the keel of the 2,000 ton freighter are complete and the keel will be laid shortly. The launching date is set for mid-June.
2. For several weeks the Soviet tanker A 119, of 1,500 tons, has been in the yard, undergoing general overhaul. The after section of the fleet tender M. KOPHAHNEL has been taken apart and her main engines have been removed. She is to be reconstructed.
3. A new motor installation is to be built for the marine railway. The cable-ship has been completed and taken over.
4. In the new collective, wages have gone down more than 50 pfennig an hour and the workers are taking it very badly.
5. The former Kurhaus at Warnemuende has become a construction office for the Vereinigung Volkseigener Werften (VVEW) shipping trust.
6. The SOVIETSKI SOYUZ from the Warnemuende yard has run her trials.
7. The boat yard at Gehlsdorf has completed two fireboats and turned them over to the fire police. They are the first iron-built craft produced by this yard.
